- All caskets include an upholstered interior, pillow, mattress and an adjustable bed.
- A removable keepsake cross in the lid is included on each casket and burial urn. Additional crosses for individual family members and friends are available.

*The opportunity to arrange for a simple, dignified wooden casket or burial urn, beautifully hand-made, helps me to accept the inevitable ending of my own life's journey. I am grateful that the Brothers are making it possible to continue my support for the Monastery in this way.*
